

Join our next ProtectUK Workshop Wednesday session

Sign up to our next virtual workshop session! Aimed at security professionals or those with protective security decision-making capabilities within businesses and organisations.

PROTECTUK WORKSHOP WEDNESDAY

ProtectUK

Hear from the experts about improving protective security and preparedness and progress your knowledge of counter terrorism.

Join our exciting and informative webinar hosted by the National Counter Terrorism Security Office (NaCTSO) and our partners from business.

You'll hear from Counter Terrorism Policing industry specialists, who will inform you on the benefits of deploying some of our award-winning Counter Terrorism Policing products into your organisation.

The workshop aims to help your business recognise threats from terrorism, and equip your staff to understand the role they play in helping to save lives and protecting the public. The session runs through the entire ProtectUK ecosystem of the platform and e-Learning course, drawing upon speakers from industry and NaCTSO to explore the use case for each. The sessions also touch on the deployment methods of these digital offerings, which are all free, for your organisation.

If you are keen to learn how you can protect the public from terrorism, [sign up and access further details.](#)
