A promotional banner for the ProtectUK Workshop Wednesday session. The banner features a dark blue background with several elements: a photo of four people in a meeting, a photo of a man working at a computer, and the ProtectUK logo. The text 'PROTECTUK WORKSHOP WEDNESDAY' is prominently displayed in the center. The logo consists of a shield icon with 'UK' inside, followed by the text 'ProtectUK' in a bold, sans-serif font. The banner is decorated with blue and red rectangular blocks.

The workshop aims to help your business recognise threats from terrorism, and equip your staff to understand the role they play in helping to save lives and protecting the public. The session runs through the entire ProtectUK ecosystem of the platform, App and e-Learning course, drawing upon speakers from industry and NaCTSO to explore the use case for each. The sessions also touch on the deployment methods of these digital offerings, which are all free, for your organisation.
