Sign up to our next virtual workshop session, taking place on the 6th November 2024. Workshop Wednesdays are aimed at security professionals or those with protective security decision-making capabilities within businesses and organisations. Hear from the experts about improving protective security and preparedness and progress your knowledge of counter terrorism.

PROTECTUK WORKSHOP WEDNESDAY

ProtectUK

Join this informative webinar hosted by the National Counter Terrorism Security Office (NaCTSO) and our partners from business. You'll hear from Counter Terrorism Policing (CTP) industry specialists, who will inform you on the benefits of deploying some of our award-winning CTP products into your organisation.

This workshop aims to help your business recognise threats from terrorism and equip your staff to understand the role they play in helping to keep people safe. The session includes a run through the

ProtectUK website and e-Learning packages, drawing upon speakers from industry and NaCTSO to explore the use case for each. The sessions also touch on the deployment methods of these digital offerings, which are all free to your organisation.

If you are keen to learn how you can protect the public from terrorism, sign up and access further details.

This event has now ended.
