

PortSafe Toolkit

ProtectUK publication date

21/11/2022

You have now registered as a PortSafe member on behalf of your port or port facility. As described in the Introduction Guide attached to your registration email, you now have access to the Digital Asset Pack.

The Digital Asset Pack should provide you with the necessary materials to promote a PortSafe scheme, which you can tailor to suit your business needs depending on your facilities, location(s) or resources.

Information on how to implement a PortSafe scheme is fully explained within the Introduction Guide, including suggestions on uses of the Digital Asset Pack messaging, keys to a successful scheme and information about what you will receive in return as a PortSafe member.

In order to access and download the Introduction Guide, please subscribe via the JMSC mailbox:
