ProtectUK publication date

04/09/2023

Following the vast amount of interest after our previous Workshop Wednesdays, we now have two new Workshop Wednesdays that you can register your interest in.

Please note that the content of both these workshops will be the same so you only need to sign up to ONE session:

- September 20th @ 1200 - <https://www.eventbrite.co.uk/e/673668971027>
- October 18th @ 1200 - <https://www.eventbrite.co.uk/e/673690003937>

The sessions run through the entire ProtectUK ecosystem of the platform, the App and the e-Learning course, drawing upon speakers from industry and NaCTSO to explore the use case for each. The sessions also touch on the deployment methods of these digital offerings, which are all free, for your organisation.

We would like to thank you for your interest in Workshop Wednesdays and look forward to welcoming you to a session soon.
